

From the Office of the City Manager

CITY OF LAWTON

5 June 2020

City of Lawton officials are monitoring and tracking the potential for any planned protests, rallies or events to be held in our area and proactively planning responses and/or assistance as needed.

The City has worked alongside community leadership in collaborating and communicating in all ways possible to honor wishes to peacefully assemble during this time. In partnership with State entities and other community agencies, any viable threats will be thoroughly investigated and prepared for by first responding entities. Citizen safety and wellbeing remains the topmost priority for the City of Lawton.

To accommodate for a scheduled event in the Liberty Lake area today 6/5/20, portions of NW Cache Road may be blocked or impacted to accommodate for a scheduled event in the Liberty Lake area.

The community will be made aware of relevant news or updates in regard to this situation through LawtonOk.gov, CodeRED alerts and the traditional Press.

Thank you.
